

# Test Ride of Fuel Cell Vehicles ! !

Two fuel-cell cars are scheduled for a test ride on August 29th at the Summer Seminar.

Come to the Fuel Cell Nanomaterials Center at 13:00 on August 29<sup>th</sup>

FCHV(Toyota)

Clarity(Honda)

Fuel cell vehicle is the ultimate in clean, sustainable mobility, and has already been developed by several automobile companies. Two fuel cell vehicles will be scheduled at our seminar on August 29<sup>th</sup> and will be demonstrated. Please come to the Fuel Cell Nanomaterials Center at 13:00 on August 29<sup>th</sup>. Each vehicle will be driven around the center for about 10 minutes. You can feel the fuel cell vehicles' ability.
